RE: Withdrawal of Oregon Administrative Rule 340-200-0040 from State Implementation Plan

Dear Dennis:

As the Governor's designee for the Clean Air Act State Implementation Plan, the Oregon Department of Environmental Quality requests withdrawal of Oregon Administrative Rule 340-200-0040 from the State Implementation Plan.

DEQ is withdrawing OAR 340-200-0040 from the Klamath Falls attainment plan submission in 2012. DEQ adopts amendments to OAR 340-200-0040 as part of Oregon's SIP process. This rule contains the date Oregon adopted revisions to the SIP, but it does not contain information for inclusion into the federally-approved SIP and does not need EPA approval. DEQ therefore withdraws OAR 340-200-0040 as part of the Klamath Falls attainment plan submission that is currently under consideration by EPA.

Thank you for your assistance with revisions to Oregon's SIP. If you need additional information or have questions, please contact Andrea Gartenbaum, SIP Coordinator at (503) 229-5946.

Sincerely,

Joni Hammond,
Deputy Director
